

2006 Cadillac XLR: Service Information: High Mount Stop Lamp Replacement

Document ID: 1109348

Subject: High Mount Stop Lamp Replacement Removal Procedure

Models: 2006 Cadillac XLR | XLR (VIN Y)

The high mount stop lamp is illuminated by a Light Emitting Diode (LED). The lamp and diode are serviced as an complete assembly.

Open the rear compartment.

Remove the rear compartment lid trim panel. Refer to Rear Compartment Lid Inner Panel Trim Replacement .

Disconnect the electrical connector (2) from the stop lamp wiring harness inside of the rear compartment lid.

Remove the bolts attaching the stop lamp to the rear compartment lid.

Remove the stop lamp (3) from the rear compartment lid.

Installation Procedure

Important: Ensure the rubber grommet (1) attached to the stop lamp wiring harness is properly installed and sealed, in order to avoid water intrusion into the rear compartment and chafing of the wiring harness.

Position the stop lamp (3) to the rear compartment lid.

Notice: Refer to Fastener Notice in the Preface section.

Install the stop lamp bolts.

Tighten

Tighten the bolts to 2 N·m (18 lb in).

Connect the electrical connector (2) to the stop lamp wiring harness inside of the rear compartment lid.

Inspect the stop lamp for proper operation.

Install the rear compartment lid trim panel. Refer to Rear Compartment Lid Inner Panel Trim Replacement .

Close the rear compartment.

General Motors bulletins are intended for use by professional technicians, not a "do-it-yourselfer". They are written to inform those technicians of conditions that may occur on some vehicles, or to

provide information that could assist in the proper service of a vehicle. Properly trained technicians have the equipment, tools, safety instructions and know-how to do a job properly and safely. If a condition is described, do not assume that the bulletin applies to your vehicle, or that your vehicle will have that condition. See a General Motors dealer servicing your brand of General Motors vehicle for information on whether your vehicle may benefit from the information.
